

## Job Overview

The Research & Education Manager plays a vital role as a front-liner of the company. The position will have direct impact to the company's brand, public reputation and customer satisfaction. The main responsibility is to add value to our customers by providing market information, trading education and events in Vietnam.

## Responsibilities

- Plan and conduct market/trading/IBs webinars/workshops on a regular basis. Covering trading related and business related subjects.
- Plan, produce and organise market/trading multimedia content (written, audio, video etc).
- Speak in seminars/events to talk about the Forex/financial markets.
- Appear in green screen for interviews to talk about the Forex/financial markets.
- Appear in social media (e.g. Facebook Live) to talk about the Forex/financial markets.
- Appear in media for interviews if the opportunity arises.
- Prepare presentation materials/slides.

## Requirements

We are seeking someone who is proactive and takes pride in whatever he/she does.

- Proficient in both English & local language (Vietnamese) business communication (written & spoken).
- Proficient with Windows (Word & Powerpoint) and/or Mac (Keynote).
- Able to perform simple video editing.
- Passionate in Forex trading and financial markets.
- Willing to speak in front of a crowd.
- Willing to appear in media/green screen/social media.
- Familiar with the Metatrader 4 trading platform.

## Benefits

We offer an attractive compensation and benefits package for successful applicants which includes:

- 5 days work week
- 14 days annual leave
- Medical subsidy
